01 WHERE WE STARTED

What we built it around.

01

40+ research-grade peptide compounds.

From your About page. Option 1 packs your real vials into a crowd until the gold caps read as a skyline, under one line: the gold-cap catalog.

02

We stand behind our product.

Your own words, Danny. Option 2 sets them in gold on navy, with your BPC-157 vial standing in front of the word behind.

03

Orders placed before 2 PM ship the same day.

From your homepage. Option 3 stands your GHK-Cu vial in afternoon light between the two halves of that promise, its shadow following the pointer.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new theme for your WooCommerce store: the homepage, shop pages, product pages and cart, built out from the top you've just seen, on your real products, sizes and checkout. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your customer list, so the people who already order from you hear about the new site from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant that answers a store phone line for you, so customers who'd rather call still get an answer, and every call becomes a short written record you can read after.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 6 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email in your store and line it up for your customer list, ready to go out on launch day.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. The new theme is built lean, with no page builder and no extra plugins added, and we test it on a copy of your store before anything goes live. Your checkout and payments stay exactly as they are.

03

Who owns it?

You do. The theme and every file sit in your WordPress site, in your name. Your hosting, domain and checkout stay with you, and nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.
